Landscape Designer/Salesperson

Sargent's Landscape Nursery is a well established design/build landscaping company and garden center in Rochester, Minnesota. We serve medium to upper end residential clientele and are known for our creative solutions and superior products and services.

Sargent's is currently looking for a creative, professional landscape designer to join our team and contribute to our continued success.

Qualifications:

- Associates degree in Horticulture with Landscape Design emphasis or undergraduate degree in Landscape Architecture
- Excellent graphic and communication skills
- 2 yrs. experience in the design/build field preferred
- Plant material knowledge, computer drafting skills and installation experience desirable

Please submit a cover letter, resume and project examples to Sarah Bubbers at:
